Title: COOPERATIVE EDUCATION
Adopted: September 17, 1996
Revised:

	118. COOPERATIVE EDUCATION	
<p>1. Definition</p> <p>2. Purpose</p> <p>3. Guidelines</p>	<p>The Joint Operating Committee recognizes that Cooperative Education is an approved component of each instructional program. Students are employed in occupations directly related to their field of study. Their work experience expands the school curriculum by providing students with additional skills through paid supervised work.</p> <p>Since the students receive both pay and school credit, they not only attain additional job skills but also develop confidence and self-esteem.</p> <p>The Administrative Director is responsible for implementing program guidelines.</p> <p style="text-align: center;"><i>See Guidance Plan for Cooperative Education/Clinical/ Internship/Job Shadowing/AutoYES and related programs.</i></p>
