Wednesday, September 27, was the last day of this clinical rotation at StoneRidge Towne Centre in Myerstown for this group of 11 students from the Practical Nursing Program of the Lebanon County Career and Technology Center (LCCTC). The group decided to go out in style by putting on a show for the residents for whom they have been caring. The residents were treated to a program that featured flute and violin music, the chicken dance, singing and lots of fun. Student nurse Elias Rosario closed the show with a beautiful rendition of the classic hymn, Amazing Grace. The audience was very moved by all the performances and showed their appreciation with several rounds of applause. StoneRidge Towne Centre and Poplar Run, both in Myerstown, proudly serve as sites for practical nursing students to perform their clinical rotations. StoneRidge also provides several academic awards each year for graduates of this program.

Please welcome new staff members . . .

► Angelo Cuva, Automotive Instructor

Mr. Angelo Cuva is a 1985 graduate of Wilson High School and the Berks Automotive Technology program. He graduated from Automotive Training Center in 2001 and attended UTI VW Academy. He is an ASE and VW Certified Master Technician. He has worked at various VW dealerships for the past 15 years. He has also worked at the Reading based Penske Indy Car Racing Team in the engine department.

Angelo resides in West Lawn where he enjoys working on cars, riding his Harley Davidson motorcycle, and spending time with his girlfriend, Loriann, daughters Angie (29) and Ashley (25) and his 3 dogs.

► Meghan Orr, Instructional Aide

Meghan Orr is a 2008 graduate of Lebanon Catholic School and a 2013 graduate of Penn State University with a bachelor's degree in Elementary Education and a minor certificate in Special Education. She has spent the past 4 years working in child development.

Meghan resides in South Lebanon Township with her fiancé, Justin. In her free time, she enjoys reading, cheering on PSU sports teams, and participating in outdoor activities.

Two inaugural scholarships were offered to students in the Sports Therapy Sciences program for the 2016-2017 school year.

Courtnee Rank and Robyn Weidner, DPT, ATC –
OAL Head Athletic Trainer

Courtney Rank (ELCO High School) earned the Orthopedic Associates of Lancaster (OAL) Scholarship for academic excellence and continued studies in a Sports Therapy Sciences related field such as athletic training or physical therapy. OAL is a strong supporter of education to Lebanon County students. Their staff has provided hand-on training in a variety of skills common in athletic training or physical therapy while their local office allows job shadowing opportunities. We thank OAL for their commitment to the students in the Sports Therapy Sciences program.

Amber Sturup with Hanna Newell-Seyfert – Sports
Therapy Sciences Instructor

Amber Sturup (Palmyra High School) was awarded the Connie J. Newell Scholarship for academic excellence and certification in a health and wellness discipline.

Connie Newell was an educator and physical therapist who was a strong supporter of the Sports Therapy Sciences program. She was thrilled to have the honor of selecting Amber as the scholarship's first recipient. Sadly, Mrs. Newell passed away this summer, but her family is committed to continuing this scholarship as her legacy.

We thank the Newell Family for their continued support of the Sports Therapy Sciences program.
