### Long-Time Joint Operating Committee Member Retires

Rose Marie Kotay

**R**ose Marie Kotay retired from the Joint Operating Committee at the November 19, 2019 meeting. Rose Marie's retirement culminates twenty-eight years of service. Rose Marie served in various leadership roles with the JOC. In addition, she has been recognized by the Pennsylvania School Boards Association for her commitment to public education and self-development through PSBA's School Governance In-Service Education program.

Rose Marie was a champion promoter for the Career and Technology Center and was a strong force in re-shaping its direction. She played a significant role in several major remodeling projects, unprecedented equipment upgrades, innovative schedule changes, enhanced public relations, improved student recognition improvements and the implementation of new programs. Rose believed in Vocational Education, its students, its teachers and the entire staff. She provided ideas, direction and support, but most of all she provided the praise that kept everyone working just a little bit harder.

In honor of her dedication to the LCCTC, Rose Marie was recognized with commemorative CTC artwork and a cake that was prepared and decorated by the Pastry Arts program.

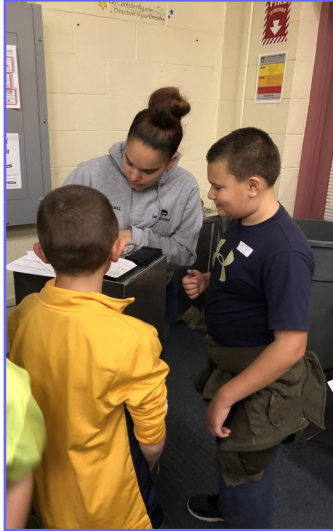

### Henry Schein Dental Supply Co. Gives Generous Donation

A big THANK YOU to Henry Schein Dental Supply Company for their generous donation of nearly \$16,000 worth of dental materials. The students are using the materials to identify teeth, laboratory skills and perform assistance with restorations. These are essential skills in the dental industry. The Lebanon County CTC appreciates all the support our industry partners provide in assisting our students in achieving their career goals.

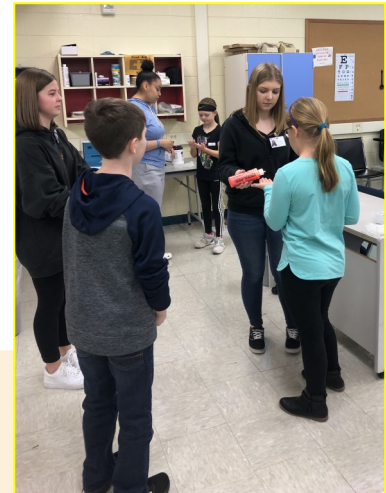

## South Lebanon 4<sup>th</sup> Grade Visit . . .

South Lebanon fourth grade students came to the Lebanon County Career and Technology Center on December 6, 2019, for a field trip about Career Exploration. The fourth grade students were able to choose two of the following programs to visit: Culinary Arts, Computer Repair, Industrial Machine, Law Enforcement and Security, Commercial Art & Design, Diesel, Auto Body, Medical Assistant, Cosmetology, Health Careers and Sports Therapy Sciences. The students also received a short tour of the school given by several of our Student Ambassadors and CTC staff.

## Elementary School Visit . . .

During the week of December 9-13, 2019 Elementary students in 4<sup>th</sup> or 5<sup>th</sup> grade from the following schools: Northwest, Ebenezer, Annville, Southeast, Cornwall, Southwest, Fredericksburg, Jonestown, Lickdale, Hanover, Henry Houck and Harding received a tour of the CTC provided by our CTC Student Ambassador Tour Guides. We will be providing tours again to Middle School students the third week of May.

SCHOOL TOURS . . . . .

## Special Note of Thanks!

Thanks for another great field trip! The students really had a good time. I can't tell you how many students talk about the CTC field trip after they move on from 4<sup>th</sup> grade. It's one of the things they remember most from 4<sup>th</sup> grade!

## “How To Ace Your Interview”

Mrs. Flowers and Mrs. Yingst would like to thank Joya Morrissey, Tom B. Morrissey TV & Appliances and Tina Litz, Lebanon County Correctional Facility, for taking time out of their busy schedules to present to some of our seniors. Joya and Tina are helping us prepare our students for the future as they provided a presentation on “How To Ace Your Next Interview”.

In their presentation, they discussed with our students how to prepare for and interview, what to expect during the interview, how to conduct yourself in the interview and lastly what steps to take after the interview is finished. It is the School Counselor’s goal to help prepare our students so that they are Future Ready!

# OPEN HOUSE

*November 14, 2019*

The Lebanon County Career and Technology Center opened its doors to Lebanon County residents for the annual Community Open House on Thursday, November 14, 2019. Held from 6-8 p.m., the event was heavily attended this year with almost 500 visitors walking throughout the school over the course of the evening!

Instructors were available in all 23 programs to discuss the specifics of their programs, with many current students conducting demonstrations and giving visitors tours of their classrooms.

CTC staff and faculty would like to thank everyone who stopped by the Community Open House and making this event so successful!

## Cosmetology Guest Speaker Presents Balayage & Highlighting Techniques

Heather Herman, owner and operator of House of Hair Salon in Annville, demonstrated to students how to do several types of balayage and highlighting techniques. Heather did extensive training with Wella Professional Haircolor and Bumble and Bumble products. During her demonstration, she also gave students tips on being a successful cosmetologist and shared online educational information for students to use to inspire creativity and skills. She encouraged students to pursue life-long education to develop advanced skills needed in a competitive market.

## Cosmetology Guest Speaker Presents Handling Hair Types and Proper Use of Tools

On Wednesday November 20, 2019 Samantha Hickernell, owner of Samantha's Styles located in Lebanon, demonstrated two haircuts and texturizing techniques to Cosmetology students. She also went over important tips for students to use about handling different hair types and the proper use of haircutting tools. The demonstration helped students with cutting and blending skills currently used in salons. Students were then able to practice one of the haircuts on manikins.

Samantha is a former CTC cosmetology student and is on the Cosmetology Occupational Advisory Committee.

# COMMUNITY SERVICE PROJECT

Health Careers Technology raised and donated \$1,000 for the Breast Cancer Coalition. The money was raised by selling pink t-shirts designed by Victoria Wagner and Ernesto Perez. In the month of October, the students participated in \$1.00 dress down days on Fridays.
