	906. SCHOOL VISITORS	
1. Purpose	The Joint Operating Committee welcomes and encourages visits to school by parents, other adult residents of the community and interested educators. To insure order in the schools, it is necessary to establish guidelines governing school visits.	
2. Authority	In the best interest of the educational process, the administration reserves the right to furnish a guide for all visitors and, in cases where visitation is not in the best interest of education and public relations, to deny visitation. All visitors to the Career and Technology Center must register at the school office upon arrival and indicate the purpose of the visit, sign in, and obtain a visitor's badge which must be worn at all times while in the school. The visitor's badge must be returned prior to exiting the building.
