	908. COMMUNITY RELATIONS	
1. Purpose	The Joint Operating Committee feels it is imperative that communication be maintained between the school and local institutions, organizations and groups as industry, business, labor, charity and other special interests.	
2. Authority	The Joint Operating Committee has authority over the pupils in its care, but shares that authority to a limited extent through the cooperative training programs that take certain pupils into the community during part of their educational career. To make those experiences meaningful, the Joint Operating Committee feels cooperation is essential with the community.
