

Computer Repair Technology
Computer Engineering/Computer Technician (CIP- 151202)
Total Program Hours: 910

Program Length

Monday-Friday, 8:05 A.M. – 2:10 P.M. (August-June)

About the Program

Computer Repair Technology students learn the latest technology based on the industry standard CompTIA A+ Certification. Hands on projects mixed into the high tech curriculum help develop technical expertise for the rapidly growing career opportunities in computer repair, help-desk support and entry-level networking positions. Mock job interviews and help desk scenarios help develop the “Soft Skills” needed for face-to-face customer support, helping prepare the students for the important job of troubleshooting both hardware and software issues in a real-world environment. This course will equip the student to pass the CompTIA A+ certification test.
