Here is what's happening in Health Careers Technology . . .

HCT HOSA collected food for the rescue mission. A collection box was placed in each shop area. The program donating the most items, Pastry Arts, was treated to a pizza party. Items were delivered to the Rescue Mission of Lebanon just in time for the holidays by Abby Whitman (HOSA-Historian), Mrs. Kreamer and Mrs. Mattis.

HCT Holds

FOOD DRIVE

Health Careers Technology hosted their 2nd Blood drive of the year on Friday, December 14th. There were 123 donors, and HCT was able to collect 74 units of blood. With the help of the CTC students and staff, their blood donation has the potential to save 222 local lives and give the best gift of the holidays!

SPORTS THERAPY SCIENCES SPONSORS COMMUNITY SERVICE PROJECT

The Sports Therapy HOSA - Future Health Professionals chapter sponsored a community service project for the Children's Hospital at the Hershey Medical Center. They collected and delivered 2 large boxes full of activity and coloring books, crayons and markers for the children.

The HOSA chapter will host another collection in March.

CAREER PLANNING • COLLEGE PLANS • PERSONAL GOALS

Sports Therapy Sciences hosted their 2nd Annual Alumni Day. Alumni from each graduating class since the program's inception were represented. They came from different colleges and careers to pass on their advice for success in life after high school to the Class of 2019.

Practical Nursing Students Spread Christmas Cheer !

The practical nursing students helped with Christmas parties at DaVita Dialysis. The full time 2018-2019 and the part time 2017-2019 classes helped on December 13th and 19th. They were able to help the patients receiving dialysis enjoy their treatment by singing, playing games, and meeting Santa.

ACFEF's Accreditation Commission's Inaugural **GINGERBREAD HOUSE** challenge

The Pastry Arts students submitted a group Gingerbread House to the ACFEF's challenge. The gingerbread houses had to be made from scratch using only edible mediums (no store bought, pre-existing houses, were allowed.) Also, the challenge is meant to be student driven from beginning to end.

RULES:

THEME: Winter Wonderland

WHO: Student Teams from Accredited Baking and Pastry Arts Programs

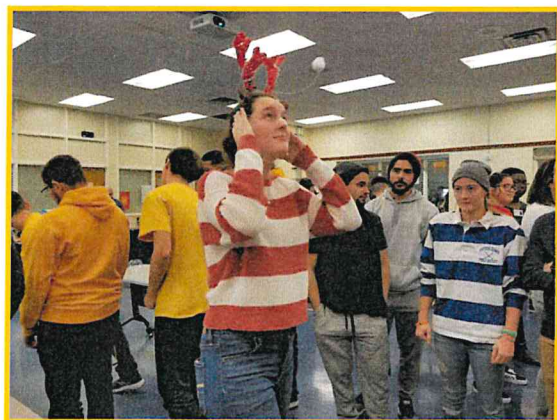

WINNERS RECIEVE:

- One (1) Post-Secondary and one (1) Secondary team will each receive \$250 for their school's baking and pastry program.
- The winning gingerbread house will be donated to a local children's hospital of the winning team's choice.
- Winning teams will be featured on ACF's We Are Chefs blog!

Congratulations to our students for receiving 1st place!!!

SPIRIT WEEK . . . Dec. 17-21, 2018

The CTC came together before the Holiday Break to participate in Spirit Week. Each day had a theme from Ugly Sweater to Flannel Shirt Day. Students could participate in an Ugly Sweater Contest that was sponsored by SkillsUSA, an entry donation of \$1.00 was charged to benefit the organization. The students held a winter apparel drive for the Rescue Mission and wore beanies and scarves for Winter Wednesday in support of this collection. Smile with Mr. and Mrs. Claus, the Media Communications students took photos for a \$2.00 donation. Also, a Minute to Win It competition/ tournament was also held during Spirit Week. Students competed in the cafetorium in front of their teachers and classmates in different Minute to Win It games.

Holiday Door Decoration

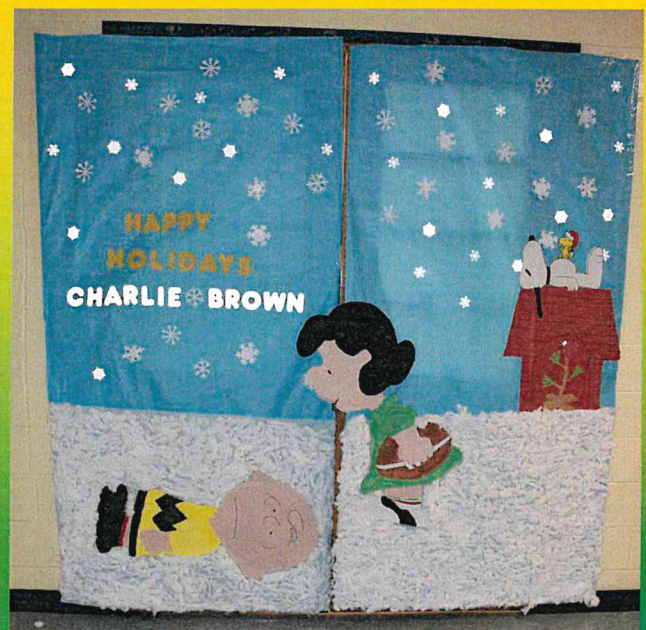

1st place, Dental Assistant

2nd place, Cosmetology

Commercial Art & Design

Health Careers

Pastry Arts (no photo)

Health Career Technology

Commercial Art & Design

Santa came to visit us

**And SkillsUSA sponsored
the event for \$1**

Officer Nick Ague gives presentation on his K-9 partner, Rex

Officer Nick Ague and his partner, Rex from the South Londonderry Police Department came to CTC to speak to Mrs. Mays' AM Law Enforcement class.

Officer Ague informed the students how he became a K-9 handler, how he obtained Rex, the intense training he and Rex endured for 5 weeks before Rex was officially sworn in as an officer, and the daily routine he and Rex share as partners. Officer Ague also told the students how Rex has been used as an asset in many police incidents since his instatement as a K-9 officer 4 years ago. Rex's

main focus of police work is narcotics detection, so Rex has been crucial in removing large amounts of drugs from the community. The students used the opportunity to ask Officer Ague a lot of questions about being a K-9 handler and about Rex. The students gain a wealth of knowledge from our guest speakers and thoroughly enjoy their visits.

Mrs. Mays' Class holds fundraiser to support "Paws that Enforce the Laws"

The students in Mrs. Mays' PM Law Enforcement class held an ice cream social fundraiser during our spirit week. The students sold chocolate chip waffle ice cream sandwiches and root beer and coca cola floats to raise money for the K-9 fund.

The students did a wonderful job working together to raise money in support of the "Paws that Enforce the Laws." Their efforts raised \$418 which will be presented to local law enforcement next month.

Thank you to all of the Lebanon County CTC students and staff that supported our fundraiser!
