On Friday, February 15, 2019 the **SkillsUSA District Competition** was held at Lancaster County Career and Technology Center. Lebanon County CTC had 31 students participate in the competition. The programs represented at the competition were Cosmetology, Commercial Arts, Electromechanical, Dental Assistant, Auto Body, Plumbing/HVAC, Law Enforcement, Culinary Arts, Pastry Arts, Welding, Diesel Truck, and Masonry.

## Overview of SkillsUSA

SkillsUSA is a national membership association serving high school, college and middle school students who are preparing for careers in trade, technical and skilled service occupations, including health occupations, and for further education. SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled workforce. SkillsUSA helps each student excel.

"All the student competitors did a WONDERFUL job and represented CTC very well. The time, dedication, and effort that was put into preparing for district competition was evident in their performances and all student competitors should be proud of their efforts!"

*SkillsUSA Advisors,  
Abbey Mays, Ryan Gerz, Brian Peffley*

# Rotary Students-of-the-Month March 2019

**McKenna Holland, CL**  
**Health Careers Tech.**

**McKenna Holland** is the daughter of Robert and Melody Holland of Lebanon, PA. McKenna is a senior at Cedar Crest High School

and is enrolled in the Health Careers Technology program at the Lebanon County Career and Technology Center.

At the CTC, McKenna is a member of the student organization, HOSA.

At Cedar Crest, she played on the varsity volleyball team.

Outside of school, she is involved in her church's youth group and works part time at Regal Entertainment Group.

After graduation, McKenna plans to attend Brigham Young University in Idaho and major in nursing. Her career goal is to become a Registered Nurse.

**Austin Bohr, CL**  
**Automotive Tech.**

**Austin Bohr** is the son of Stephanie Bohr of Lebanon, PA. Austin is a senior at Cedar Crest High School and is enrolled in the Automotive

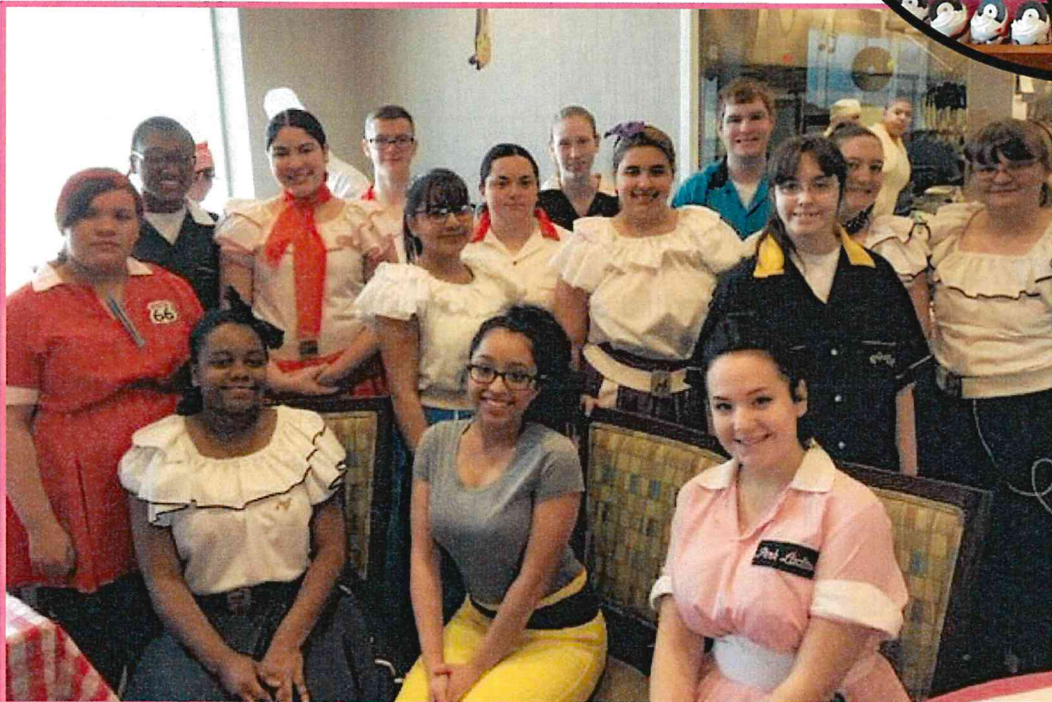

Technology program at the Lebanon County Career and Technology Center.

At Cedar Crest, Austin is involved in numerous activities such as the Debate Club, Archery and Young Republications. He participated on his high school football and wrestling teams.

After graduation, Austin plans to attend Williamson Trade School. His career goal is to become a Machinist.

## Culinary and Pastry Arts Present Annual Fabulous Fifties Flashback

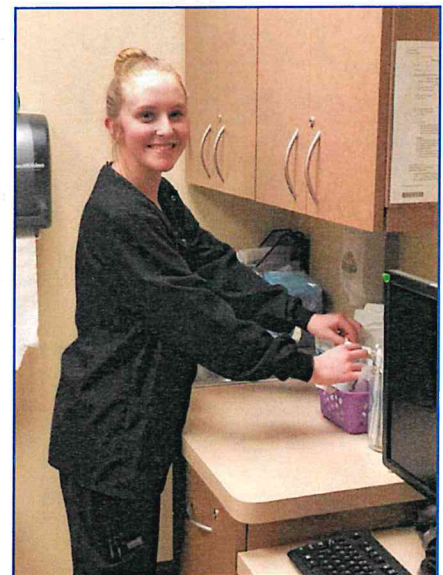

The 2019 Culinary and Pastry Arts classes started off the Fabulous 50's themed week in the Hilltop Café with a bang. The student run restaurant offers diner food along with the ambience of the 1950's. Always a patron favorite, the Hilltop Café has sold out all four days of the event from March 12<sup>th</sup> through the 15<sup>th</sup>.

*We would like to thank all the facilities, providers, staff and anyone who assisted with the continuing education of our students. We can not do this without you!*

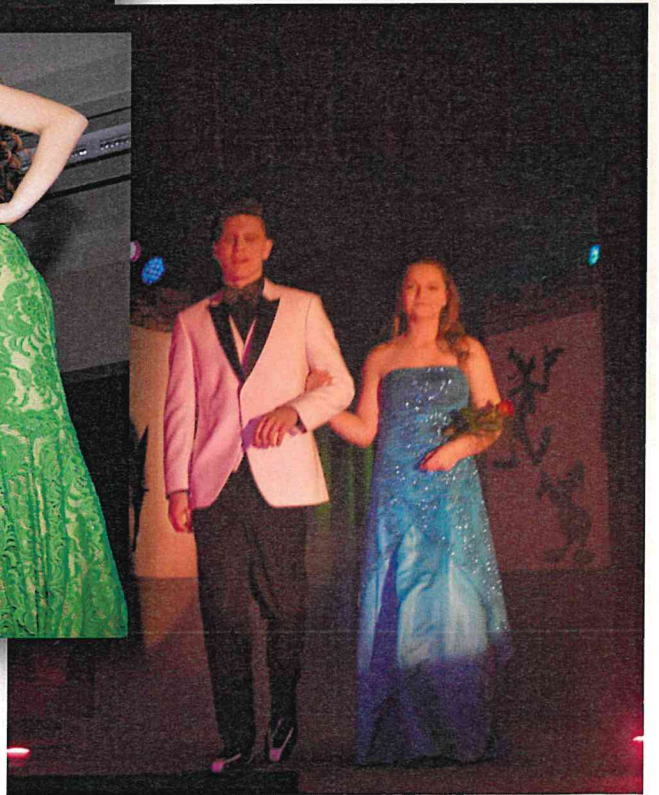

When you wish upon a star ...

# 2019 Fashion Show

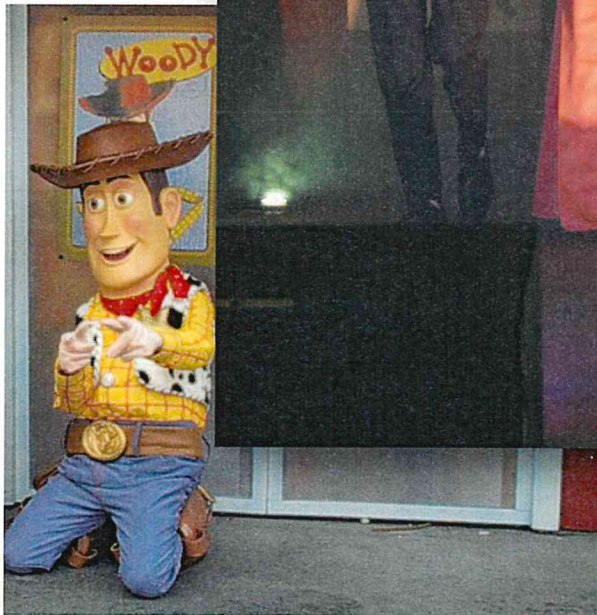

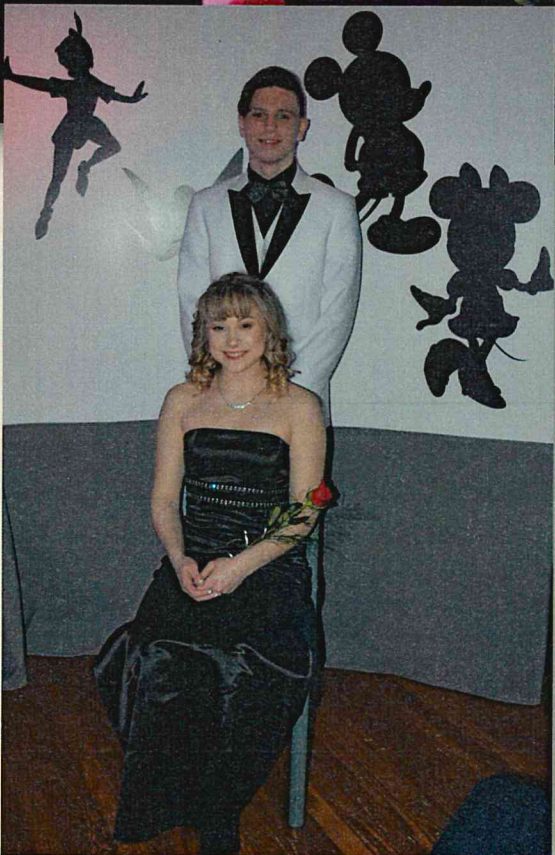

On February 27, 2019 students from the CTC dressed to the nines for an outstanding, two performance fashion show highlighting prom attire. Thank you to the Glass Slipper Project, Central PA Tuxedo and Hendricks Flowers who provided the clothing and flowers for the event. Special thanks goes to our student models, Cosmetology students for the excellent job on makeup and hair styling, Electrical and Media Communications students for the stage and lighting, and our Math instructor, Mr. Hartman, who produced the musical accompaniment. The result was a fabulous production enjoyed by all who attended.

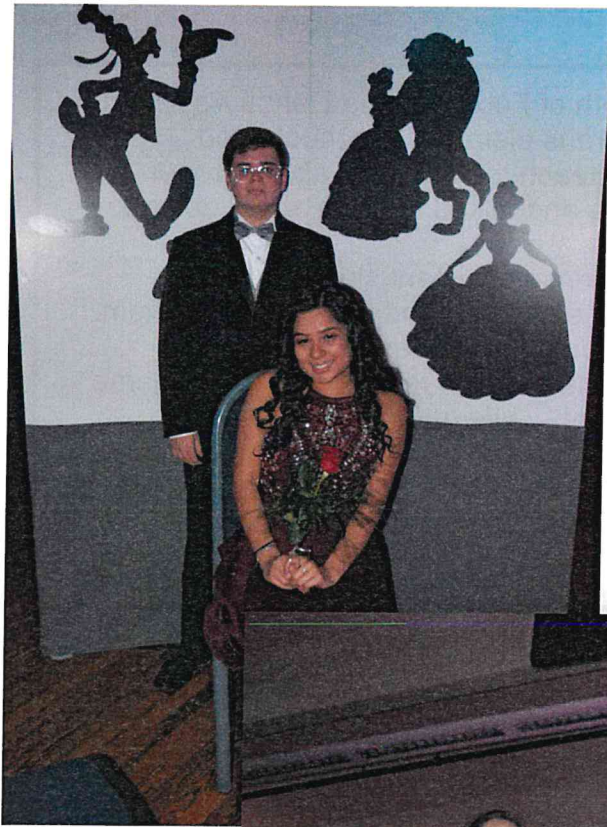

# Children's Dental Health Month

During the month of February, the Dental Assistant went to numerous elementary schools and preschools to teach the students about proper dental hygiene and talked to them about going to the dentist.

The students in the dental assistant class played interactive games with the children and read books to them. They had fun learning about the proper techniques of brushing and flossing. The children really enjoyed the game "Good Food and Bad Food". We gave them a snack of apples and popcorn and explained to them why those foods were good for their teeth. This was a fun and exciting time for the Dental Assistant class to serve the community.

## Lesson 1: How to BRUSH

- ◆ Place the toothbrush at a 45° angle along the gum line. Move the toothbrush in a back and forth motion, and repeat for each tooth.
- ◆ Brush the inside surface of each tooth, using the same back and forth technique.
- ◆ Brush the chewing surface (top) of each tooth.
- ◆ Use tip of brush to brush behind each tooth — front and back, top and bottom and up and down strokes.
- ◆ Be sure to brush your tongue to remove odor-causing bacteria.

## Lesson 2: How to FLOSS

- ◆ Pull 18 to 24 inches of dental floss from the floss dispenser.
- ◆ Wrap the ends of the floss around your index and middle fingers.
- ◆ Hold the floss tightly around each tooth in a C shape; move the floss back and forth in a push-pull motion and up and down against the side of each tooth.
