## ► Beth Garrett, Health Careers Technology Instructor

Beth is an experienced Registered Nurse and has worked in various capacities within the nursing field. Beth's passion for nursing started here at the CTC in the Nursing Assistance program in 1991 where her lifelong mentor, Mrs. Nelson, taught her what is meant to care for others. From there she entered the LPN program and graduated in 1993. She holds an associate degree in nursing from Harrisburg Area Community College where she received the Clinical Excellence Award in 2011.

Beth worked for the Good Samaritan Hospital for over 15 years where she worked in the medical surgical unit, critical care and physician practice. Beth left the hospital in 2013 and ventured into the long-term care setting where she learned both supervisory

and leadership roles. Beth held positions in the direct patient care, staff development, Assistant Director, and Director of Nursing services. Beth currently holds a position at Cornwall Manor where she will continue to stay current with her clinical skills.

Beth resides in Rexmont with her husband, Tim, and their three children Zach (18), Madison (17) and Meredith (12). They also have a one-year old yellow lab named Gunner. She enjoys time with her family, hiking in the woods, going to the beach, and doing crafts.

## REMINDER For Visitors . . .

### School Gate Guardian

The Lebanon County Career and Technology Center recently installed a visitor management software system.

School Gate Guardian requires all visitors to present a **valid driver's license** or other state-issued identification upon arrival at the door. The ID will be scanned and checked. Visitors who have been cleared will receive a printed ID badge that includes their photo and name. The badge is self-expiring, meaning within 12 hours of receipt, the word "VOID" will bleed through to the front so the badge cannot be reused. The process to scan an ID, run the check and print a badge takes about 30 seconds to complete.
