July 1, 2020

CTC Parents and Guardians,

The Lebanon County Career & Technology Center is developing a required “Health and Safety Plan” for re-opening school for the 2020-2021 school year. The Lebanon County Career & Technology Center’s Health and Safety Committee will be utilizing general guidelines that have been provided by the PA Department of Education, that encompasses guidelines from the Department of Health and the Center for Diseases Control.

The Lebanon County Career & Technology Center is currently exploring various options for educating students as we look to return to school on August 31, 2020. Please take a few minutes to provide us with your valuable input by clicking [HERE](#) to answer a short survey. The feedback that you provide will help guide our planning. We sincerely appreciate you taking the time to respond.

The survey will be available on our website [www.lcctc.edu](http://www.lcctc.edu) as well as on our Facebook page for your convenience.

I wish everyone a healthy and enjoyable summer!

Sincerely  
Glenn K. Meck II  
Administrative Director  
Lebanon County Career & Technology Center
