Annual Pumpkin Carving Contest Results

In the spirit of Halloween, the Culinary and Pastry Arts programs held their annual Pumpkin Carving competition on October 1. Students from both classes were given three hours to complete their carvings to be eligible to compete in the contest. Carving pumpkins is one of the best Halloween activities to show off your crafting skills, get your hands a little dirty and possibly whip up a delicious dish.

There were a variety of carvings from faces, to animals and stencil designs; they all turned out beautifully. The pumpkins were on display in the Pastry Shoppe to be judged by faculty members after school. The winners of the competition were Lani Fleck (Cedar Crest) who came in first place, Ari'Shay Allendes (Lebanon) who came in second, as well as Kayleen Weaber (Lebanon) who came in third. The rest of the carvings will be a part of the Hilltop Cafe's fall decorations. Come on up to the Hilltop Cafe to grab a bite for lunch and view the pumpkins on display. Be sure to grab a delicious treat from our Pastry Shoppe (Not open to the public at this time).

Socktober

Chelsea Kramer, ELCO Intermediate School student is doing a Socktober Community Service Project to help the homeless in Lebanon County. Socktober was created after realizing that there are large homeless populations throughout the country needing socks and essential items.

Collection boxes will be placed throughout the CTC building as well as five schools in the ELCO School District.

Donations will be given to Agape Family Shelter.

Collections will be taken from now until November 6.

Thank you for your donation!

Items Needed . . .

Dental Assistant Students Purchase Smart TV

Unbeknownst to Mrs. Eckert, the students decided to purchase a 65-inch Smart TV for the classroom. The students provided Mrs. Eckert with some new technology to help with their education.

LEBANON COUNTY CAREER & TECHNOLOGY CENTER RECEIVES AMBASSADOR GRANT

The Lebanon County Career & Technology Center received word that our application for an Ambassador Grant through T.E. Connectivity was approved. The original grant application was for \$1,000.00 which would be used for the operations of the LCCTC Breakfast Club. T.E. Connectivity graciously approved the grant for \$2,500.00.

The Breakfast Club offers all students the opportunity to have breakfast prior to the start of school. The club has been funded by donations from local business as well as individuals who support our initiative to feed students.

T.E. Connectivity has now donated over \$4,000.00 over the past 3 years to this worthy cause. The staff and students of the LCCTC greatly appreciate the ongoing support by T.E. Connectivity and other businesses and individuals who help us with our Breakfast Club.

Special Thanks to T.E. Connectivity for their continued support of the CTC Breakfast Club!
