# DODGE BALL TOURNAMENT 2020

The Sports Therapy HOSA chapter hosted a COVID-19 friendly Dodgeball Tournament to benefit the PA Breast Cancer Coalition of Lebanon County. Teams of 7 dodged, ducked, dipped and dove their way through the competition. It was a beautiful day for the event and overall, it was a success! \$315 was raised from the tournament and will be donated.

It takes a lot of hands to make a school-wide event successful. A BIG thank you to:

- Mr. Hagy and the Commercial Art class for the awesome advertising signs
- Mr. Schultz and Landscaping for mowing the courts and making them more playable
- Mrs. Gehman/Mrs. Wike and Medical Assistant for helping shag balls and keep the games moving along
- Mrs. Barrett for helping with the operations
- All the instructors that paid the registration fee to play or allowed their students the time to play
- The students for forming teams and paying to play
- The administration for allowing us to have the event and have a "normal" activity

Congratulations to the first place PM team of **Carpentry/Welding/Sports Therapy** for a collaborative effort

And congratulations to the first place AM team

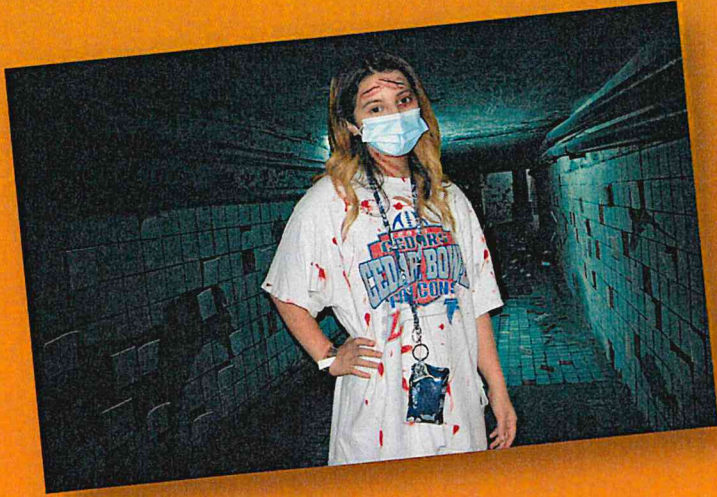

**Electrical** for a dominating victory
