# 50's Week at the Hilltop

If you were in the mood to travel back in time, the students in the Culinary and Pastry Arts Classes gave you the opportunity. The Hilltop Café hosted its annual 50's week through March 5. We had a variety of treats, as well as a diner style menu with many entrees to choose from.

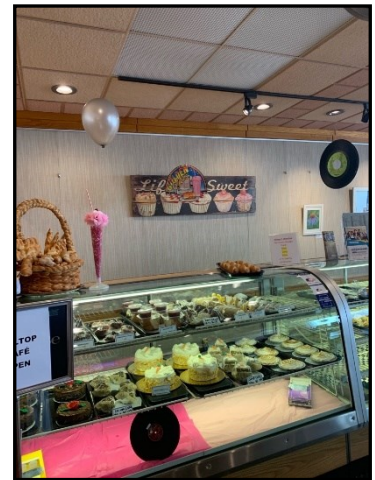

Our culinary students were happy to serve some of the classic diner foods such as cheesesteaks and shrimp baskets.

We also served our everyday menu items. If you were craving something sweet you could visit the soda jerk for a fresh-made milkshake or float. While dining in, staff members received the full experience with food, decorations, and costumes!! Wonderful pastries were included as well.

Students featured their delectable sweets in their pastry case. Some of our 50's throwback desserts included cheesecake, donuts, yellow cake with buttercream frosting, raspberry danish rings, and olive loaf.

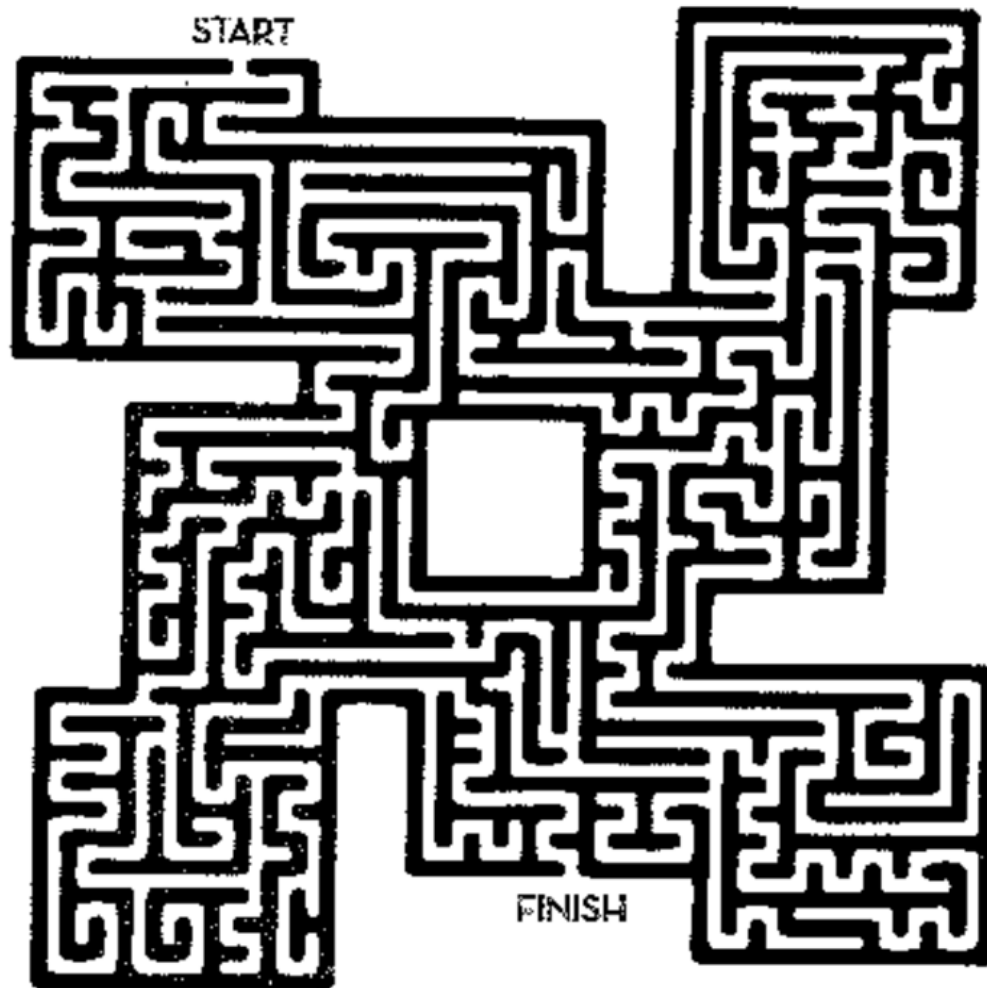

The Hilltop Café and Pastry Shoppe are the "bees knees" so come visit our instructors, Chef Corle and Chef Peffley, as well as the class of 2021. We are open for the staff Wednesday-Friday from 10:30-12:00. We hope your dining experience is a hoot!!
