2021 SkillsUSA National Leadership and Skills Conference

On June 15th 2021, SkillsUSA held its National Commercial Baking competition. Pastry Apprentice (Adult Student) Katlyn Nissley competed and received a silver medal. Some of the items she produced were a 4-tier birthday cake, yeast raised breads, Pate Choux, scones, and cookies. The competition was held virtually at the CTC and ran 4 ½ hours.

"I am extremely proud of Katlyn and all her accomplishments and honored to be her teacher." Chef Peffley

Congratulations Katlyn!

Carly Conlin, a 2021 graduate from Annville-Cleona High School as well as our Dental Assistant program, competed in the National SkillsUSA Championship. She placed 6th in the nation in her contest! She prepared and delivered a 5–7-minute demonstration speech to judges virtually on June 14th. Mrs. Eckert, Dental Assistant Instructor and Ms. Phillips, Learning Facilitator, helped her prepare for the contest. To be eligible for the national competition, Carly had to finish in first place at the district level as well as the state level.

Carly's speech had to demonstrate and explain an entry level skill for her profession. Carly chose to show and give details about a syringe including identifying the various parts, loading and unloading cartridges of Novocain, explaining the purpose of different needles, and relating the information to a dental procedure. Carly used a skull to show the difference in the nerve location in the upper and lower jaw. She did an impressive job using her skills and terminology learned in Dental Assistant. The LCCTC is proud of Carly's accomplishments!

Way to go Carly!
