SkillsUSA PA District 5 Virtual Competition

On January 14, 2022, the Lebanon County Career and Technology Center hosted the SkillsUSA PA District 5 competition. Seven schools from District 5, including Lebanon, participated in the event that included a wide array of skill, leadership, and occupationally related contests.

The Lebanon students did very well in the competition. They earned 18 gold and two silver medals. On January 20, the LCCTC SkillsUSA chapter treated the medalists to an awards luncheon in the Hilltop Café. The students received their medals, a certificate for their portfolios, and a delicious meal. The gold medalists, along with five additional students from the Media Communications class, are now eligible to compete in the SkillsUSA Pennsylvania Conference and Championships in April at the Hershey Lodge and Convention Center, the Lebanon Expo Center, and various CTCs in the Central Pennsylvania area.

The Winners are...

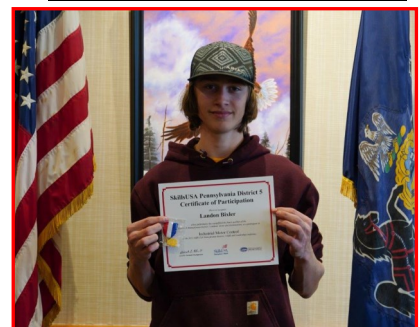

Gold Medalists

Gracie Adams

Devin Barker

Landon Bixler

Jeychadi Figueroa Guzman

Harlie Flinn

Aiden Gavin

Andrew Good

Samantha Neidl

Samuel Ojo

Nicholas Treese	Criminal Justice	EL	Law Enforcement & Security
Jaxon Wolesslagle	Carpentry	PA	Carpentry

The CTC congratulates all of the competitors and wishes them well at States!

The gold medalists will advance to the 2022 SkillsUSA Pennsylvania Championships.

Deborah Elliott Recognized

LCCTC's SkillsUSA chapter recognized Deborah Elliott, a retired CTC employee, for her assistance in organizing and conducting the 2021 and 2022 district competitions.

Deb's organization, dedication, and willingness to go the extra mile for students and staff were an integral part of making the competitions a reality.

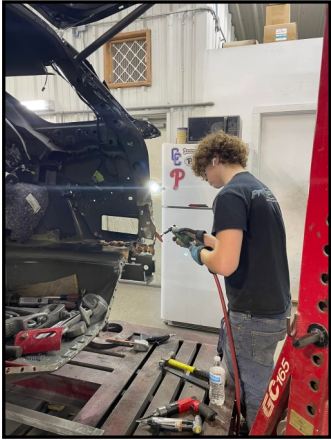

A very special thank you!

Cooperative Education Student Spotlight

Did you know one of the opportunities our students have is to gain work experience in the field of their chosen CTE program? Students are able to work with an employer to receive on the job training during their CTC time.

We were able to capture some pictures of a few of our students at their jobs during the month of January. If interested in learning more about our co-op program, contact Mrs. Flowers or Mrs. Weaber.

February is CTE Month

CELEBRATE TODAY,
OWN TOMORROW!

February is CTE Month, ACTE is excited to showcase the esteemed Career and Technical Student Organizations (CTSOs), serving more than 2 million CTE students nationwide and enhancing student learning through contextual instruction, applied learning and real-world application. CTSOs offer students innovative programming, authentic leadership experiences and business and community opportunities at the school, state, and national levels.

The Lebanon County Career and Technology Center offers four different student organizations: SkillsUSA, Health Occupations Students of American (HOSA), Lebanon County Builder's Association Student Chapter, and National Technical Honor Society (NTHS).

SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled workforce. They help each student excel. A nonprofit national education association, SkillsUSA serves middle-school, high-school and college/postsecondary students preparing for careers in trade, technical and skilled service occupations.

The mission statement is SkillsUSA empowers its members to become world-class workers, leaders, and responsible American citizens. We improve the quality of our nation's future skilled workforce through the development of SkillsUSA Framework skills that include personal, workplace and technical skills grounded in academics. Our vision is to produce the most highly skilled workforce in the world, providing every member the opportunity for career success.

SkillsUSA serves more than 333,527 students and instructors annually. This includes 19,019 instructors who join as professional members. Including alumni, SkillsUSA membership totals over 394,000. SkillsUSA has served nearly 14 million annual members cumulatively since 1965 and is recognized by the U.S. Department of Education and the U.S. Department of Labor as a successful model of employer-driven workforce development.

Our SkillsUSA Advisors at CTC are Chef Brian Peffley, Pastry Arts Instructor and Mr. Ryan Gerz, Auto Body Technology Instructor. The Lebanon CTC SkillsUSA is busy this school year. They successfully ran the schools largest Chicken BBQ sale, selling more than 1,400 chicken meals in the fall. SkillsUSA will be hosting another Chicken BBQ sale on April 12th. They have ongoing sales of beef sticks along with Santa and cupid grams. On January 14th, they hosted the District 5 SkillsUSA competition and are currently planning for the State competition on April 6, 7, 8 at the Hershey Lodge.

The mission of HOSA is to empower HOSA-Future Health Professionals to become leaders in the global health community through education, collaboration, and experience. Incorporating HOSA into the classroom helps students build leadership skills, teamwork and critical thinking skills that can help the student as they begin their future. HCT HOSA does many community service projects throughout the year. During the month of October, HCT transformed their classroom into a "Haunted Classroom". The money raised was donated to the Lebanon County Breast Cancer Coalition.

On January 21, 2022, HCT HOSA sponsored a blood drive with the Central Pennsylvania Blood Bank. 30 pints of blood were collected which can help up to 90 people. A second blood drive will be held in April.

Community service projects help the HOSA student give back and provide them an opportunity to be part of the planning and execution of the project. HOSA is a big part of the HCT classroom and we are proud of the students and their commitment to healthcare.

Celebrate CTE MONTH® 2022!

The National Technical Honor Society was established in 1984 by Allen Powell and Jon H. Poteat. Its mission is to honor student achievement and leadership, promote educational excellence and enhance career opportunities for the NTHS members. Over the years educators have seen NTHS lift up students and raise the bar for student achievement. Today, NTHS serves thousands of schools and honors more individuals on their achievement and leadership every year. NTHS is committed to providing the highest quality recognition for outstanding students in career and technical education, scholarship opportunities to its members, create new and emerging relationships between the educational community and business and industry. LCCTC became a charter school of NTHS in 2009.

The goals of the NTHS (National Technical Honor Society) include:

- Rewarding excellence in workforce education
- Developing self-esteem, pride
- Encouraging students to reach higher levels of achievement
- Helping schools build effective business partnerships
- Promoting strong values-honesty, responsibility, initiative, teamwork, leadership, citizenship, scholarship
- Building a strong positive image for workforce education in America

The Lebanon County CTC National Technical Honor Society

Induction Ceremony . . .

Will be held on February 17, 2022, 6:00 p.m., in the CTC Cafetorium

**Alicia Wike, Medical Assistant
Instructor, selected to Lebanon
County Educational Honor Society**

Alicia began her nursing career at the Good Samaritan Hospital of Lebanon after her father needed major open-heart surgery. She decided that helping people was what she wanted to do. She started as a nursing assistant on a medical/surgical floor and after a couple months the hospital offered to send her to nursing school. She attended Alvernia College while working at the hospital and graduated in 1994. She earned her Associate Degree of Nursing and worked as a registered nurse in mainly the emergency department and cardiac catheterization laboratory until 2011. At that time, she then decided that she wanted to teach the younger generation to do what she loves to do. She took on the role of Medical Assistant Instructor and started the brand-new program in August of 2011 and has loved it ever since. Alicia is currently working towards her Bachelor's Degree in Work Force Education and will also be cooperative education certified.

Alicia enjoys spending time with her family. She has two children, a son, Blaine and a daughter, Sidney. Her two dogs, two cats, and horse are very important to her. She also loves heading to the mountains and going to the beach. Her supportive group of work friends are considered family and she wouldn't be where she is today without them.

Rotary Students-of-the-Month February 2022

**Hannah Gerhart, CL,
Medical Assistant**

Hannah Gerhart is the daughter of Michael and Karen Gerhart, Lebanon, PA. Hannah is a senior at Cedar Crest High School and is enrolled in the Medical Assistant Program at the Lebanon County Career and Technology Center.

Hannah is a member of the HOSA student

organization and National Technical Honor Society at the CTC. She is a member of the National Honor Society, Marching Band, and a member of the varsity Cross Country and Track and Field teams at Cedar Crest High School. Outside of school, Hannah volunteers in her church's nursery and works part-time at Giant Foods.

After graduation, Hannah plans to attend Bloomsburg University to major in nursing. Her career goal is to become a Registered Nurse.

**Logan Ruth, LH,
Pastry Arts**

Logan Ruth is the son of Amanda Ruth, Lebanon, PA. Logan is a senior at Lebanon High School and is enrolled in the Pastry Arts Program at the Lebanon County Career and Technology Center.

Logan is a member of the SkillsUSA student organization at the CTC and has participated in chorus at

Lebanon High School. Outside of school, he works part-time at Weis Markets.

After graduation, Logan plans to attend the Culinary Arts Program at the Lebanon County Career and Technology Center. His career goal is to become a Pastry Chef with some background in culinary.
