Cooperative Education Student Spotlight

Did you know one of the opportunities our students have is to gain work experience in the field of their chosen CTE program? Students are able to work with an employer to receive on the job training during their CTC time.

We were able to capture some pictures of a few of our students at their jobs during the month of March. If any student is interested in learning more about our co-op program, contact Mrs. Flowers.

Scavenger Hunt

On Monday, March 22, the CTC School Counselors hosted a Scavenger Hunt for the students to kick off NOCTI PEP WEEK! Students had to find five locations around the school with given clues and answer the question at each location. The first team finished the fastest and with the correct answers won! There was a winner from each wing in the AM and PM.

See how your knowledge measures up!

1. What does NOCTI stand for?
2. List the two types of assessments which are part of NOCTI.
3. Does every Career and Technical Education student in Pennsylvania take the NOCTI exam?
4. What Career and Technical Student Organizations are offered at Lebanon Co. CTC?
5. What year did the Lebanon Co. CTC enroll their first group of students?

Answer Key: 1. National Occupational Competency Testing Institute; 2. Written and SkillsUSA, HOSA, NTHS; 5. 1964-1965

Excellence in Education

Please join us in congratulating our top 5% of our graduating senior class. These students will be recognized by the Lebanon Valley Chamber of Commerce in May at the Excellence in Education Ceremony to be held at Cedar Crest High School stadium. A date and time will be announced later with more details. This is an incredible accomplishment for these students with all their hard work they have put into this school year. We are so proud of all of them!
