The goals of the NTHS (National Technical Honor Society) include:

- Rewarding excellence in workforce education
- Developing self-esteem and pride
- Encouraging students to reach higher levels of achievement
- Helping schools build effective business partnerships
- Promoting strong values-honesty, responsibility, initiative, teamwork, leadership, citizenship, scholarship
- Building a strong positive image for workforce education in America

ULTIMATE TWOS-day

Tuesday, 2/22/22, was the ultimate day of TWOS! The School Counselors wanted to celebrate the class of 2022 with some twin photos and cookies for our seniors of 2022. Students stopped by the Career Center to have their picture taken with their twin or with the "2" balloons.

CTC Programs Collaborate

From idea to finished product, there isn't anything these students can't do! It is great to have our programs work together on projects. Thank you to our Precision Machining Technology, Pastry Arts, and Culinary Arts instructors and students for their help in creating a surprise for our seniors from their CTC School Counselors.

JOC Board Appreciation Dinner

"Wild Weeks"

Themed lunches in The Hilltop Café

Students from the Culinary and Pastry Arts Programs have put together many *fabulous* themed weeks for guests up in the Hilltop Café, check it out!

From February 2nd to 4th the students hosted a "Tailgating" week in celebration of the Superbowl the following week. Students served many different finger foods such as Wings, Cheesy Fries, Touchdown burgers, and so much more!

From February 9th to 11th the students hosted "Lovers Week" in celebration of Valentines Day. Some featured menu items were Mustard Glazed Salmon, Lobster Bisque, Clam Chowder, and much more!

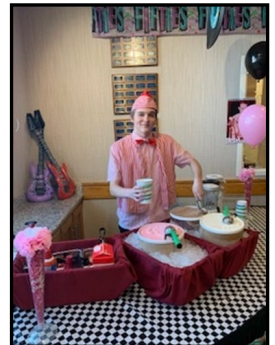

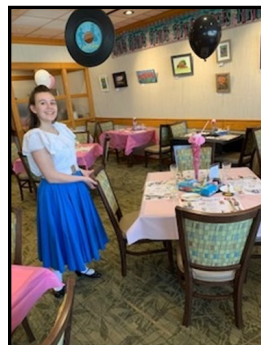

From February 23rd to 25th the students hosted "Mardi Gras" to go along with the upcoming Fasnacht Day. Students Gracie Adams from Pastry and Alexis Shytle from Culinary made an ice carving of the Fleur De Lis to celebrate! Some of the featured menu items included Hush Puppies, Shrimp Beignets w/ Aoli, Cajun Chicken Alfredo, and much more!

From March 2nd to 5th the students hosted the "Fabulous 50's" in association to diners back in the 50's. Students dressed up as Soda Jerks, Greasers, and Popcorn Attendants for this event. Some featured menu items were Blue Plate specials, which included Meatloaf, mashed potatoes, gravy, and French fries. There was a lot to see.

From March 16th to 18th is "Irish Week" to celebrate St. Patrick's Day. Students will be all dressed in green; be careful not to touch their gold! Make your reservations while they still have room!

On May the 4th students will be holding a day in honor of "May the 4th be with you" in celebration of the one day dedicated to Star Wars. Will you join the Dark Side or stay in the light? Join us to find out!

On May the 5th the students will be hosting a themed day for Cinco De Mayo in celebration of culture! Many different styles of Cajun cooking will be featured, you sure don't want to miss out!

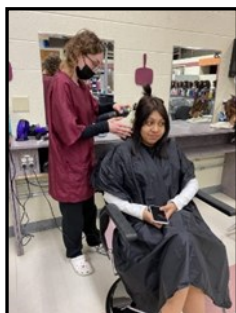

Reservations can be made by calling: 717-273-8551 Extension: 2113

Cosmetology Students Help Culinary & Pastry Arts Students get into Character

Cosmetology students practiced 50's styles on students from the Culinary and Pastry Arts Programs. Students started first thing in the morning so Culinary and Pastry Arts students could then return to the kitchen, bake shoppe and dining room to prepare for the 50's dining menu. Cosmetology students curled, teased, put in ponytails and gel to mimic styles from the 1950s.

Students Participated in a Smart Talk Event

On February 23, 2022, Ms. Tobias and Mrs. Flowers along with nine students attended the Smart Talk event hosted by Scott Lamar from WITF at York County CTC to talk about Career and Technical Education in celebration of CTE Month.

One of our Automotive Technology students, Eli Koch, who is also a co-op student at BHM Farm Equipment in Annville, was highlighted by TechLink at the event as a student who has truly embraced his CTE experience.

Health Careers Technology's Clinical Experience

Health Careers Technology students eligible to take the Nurse Aide Competency Exam completed 110 hours of clinical at Cedar Haven Health Care Center. Students performed all the tasks of a nurse aide while at the facility and formed bonds with each resident on the floor to which they were assigned. Students also had fun with the residents playing Bingo.

Students attending clinical include:
 Tabitha Lingle, PA
 Allison Miller, CL
 Aliaza Morales, CL
 Jannelis Rodriguez Rodriguez, LH
 Bemely Rosario, LH
 Genesis Scaturro, LH
 Stephanie Velez-Perez, CL

Former CTC Student Wins Top Honor

Logan Brown competed in and won the 2021 U.S. Auto Tech National Championship. He completed our Automotive Program in 2010 and is a graduate of ELCO. Logan was the best of the best in the professional division and walked away with 40K! The U.S. Auto Tech National Championship honors the top auto technicians across the country.

Congratulations!

CTC Staff's "First Fridays"

January

February

Our First Friday event for March was dedicated to giving back to the community. What a way to end a week with some play time and snuggles with some friends. We would like to thank Zoe's House for coming to speak to our staff today and bringing some furry friends for us to meet and play with. Our staff also collected some donations to present to the organization.

March

Robert Mulligan is Now Officer Mulligan

On Monday, February 7th, 2022, Robert Mulligan was sworn in as a part-time Municipal Police Officer for South Lebanon Police Department. Robert completed a 30-hour training course as a School Police Officer allowing him to be a School Police Officer in Pennsylvania. Robert was sworn in on Friday, February 18th, 2022, as the official School Police Officer for the Lebanon County Career & Technology Center by District Justice Anthony Verna.

Robert comes to the Lebanon County Career and Technology Center with over 25 years in law enforcement. Robert started his career in 1989 with the Somerset County Sheriff's Office. Robert is a member of the Police Unity Tour and a supporter of the National Law Enforcement Officers Memorial Fund.

Rotary Students-of-the-Month March 2022

Alayna Morris, PA, Law Enforcement

Alayna Morris is the daughter of Mandy Morris, Palmyra, PA. Alayna is a senior at Palmyra High School and is enrolled in the Law Enforcement Program at the Lebanon County Career and Technology Center.

Alayna is a member of the National Technical Honor Society and a

student ambassador at CTC. She has volunteered at numerous fundraisers for OPH Cats and Kittens. Outside of school, she works-part time as a Building Supervisor for Hershey Entertainment and Resorts.

After graduation, Alayna plans to continue her education in college and major in Criminal Justice. Her career goal is to become a Criminal Investigator or Forensic Psychologist.

Matthew Hansell, CL, Automotive Tech.

Matthew Hansell is the son of Samuel and Judy Hansell, Lebanon, PA. Matt is a senior at Cedar Crest High School and is enrolled in the Automotive Technology Program at the Lebanon County Career and Technology Center.

Matt is a member of the National Technical Honor Society and student

member of his program's Occupational Advisory Committee. At Cedar Crest High School, he is an officer for the car club and is a member of the varsity lacrosse team. Outside of school, he works part-time at Penske in Lebanon.

After graduation, Matt plans to continue his education either earning a certificate or Associates Degree in Automotive Technology. His career goal is to become an ASE Certified Master Technician.

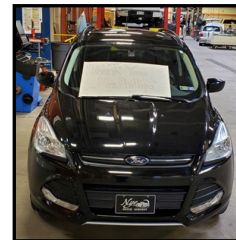

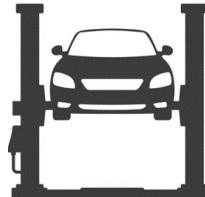

Automotive Technology Students Learn and Say Thank you

Sandy Phillips, Special Education Facilitator for 14 years, will be retiring from our school at the end of this year and the Automotive Technology class would like to thank Mrs. Phillips for all she has done for us here at the Lebanon County CTC. The class did a lot of work on her 2016 Ford Escape including PA Emission and Safety Inspection, four new tires, new wiper blades, a new cabin filter, a new battery, and a four-wheel alignment. They also cleaned and clay barred waxed the entire car, detailed all the plastic trim and dressed her tires. We will really miss her and just want to say THANK YOU MRS. PHILLIPS!!! Enjoy your retirement.
