Culinary Arts Student Receives Generous Gift

Mr. Charles Gress and his wife Josephine presented new luggage for Lebanon High senior Gianna Hernandez of the Culinary Arts program. Gianna will be working for the Jackson Hole Lodge in Wyoming after graduation. Mr. and Mrs. Gress frequent the Hilltop Cafe and have been sponsors for scholarships in the past. This time they wanted to help a student with their future career goals by purchasing Gianna luggage for her first flight ever! Mr. and Mrs. Gress' son Mark went through the program as an adult student in 1995 and continued his education at the Culinary Institute of America. Mark went on to have a fine culinary career. Tragically, Mark passed in 2001 but his legacy lives on here at the CTC. Mr. and Mrs. Gress have donated all of Mark's chef coats and aprons for students that are in need. We are exceedingly fortunate to have the support of such kind people. Thank you Mr. and Mrs. Gress!

Health Careers Technology's Blood Drive

Health Careers Technology hosted a blood drive on Friday, April 8, 2022. Forty-seven students were registered to donate. Twenty-eight pints of blood were successfully collected. The donations will help up to 84 people in need of blood and blood products. Way to go LCCTC Students and Staff!

Lebanon County Educational Honor Society

On Thursday, April 21, 2022, Lebanon County Educational Honor Society members gathered to attend the annual banquet honoring educators, scholarship winners and educator of the year. During the banquet, new members were inducted into the organization. This was the first banquet since 2019. Members that were inducted this year were Alicia Wike, 2022-23 inductee, Nina Eckert, 2021-22 inductee, and Thomas Giovarelli, 2020-21 inductee. The organization has about 1,000 members who are educators from Lebanon County. To be eligible for membership, educators need to have taught for 10 years in a Lebanon County School. Congratulations to Tom, Nina, and Alicia.

HONORS TOP 5%

Medical Assistant Clinical Rotations and Internships – Mrs. Wike

We would like to congratulate the following students on a job well done as they completed their internships and hands on clinical rotations at various facilities. The following students are all interns through the Wellspan Health Family and Specialty Offices.

Aaliyah Dove, CL, Hannah Gerhart, CL, and Kimberly Higareda, NL

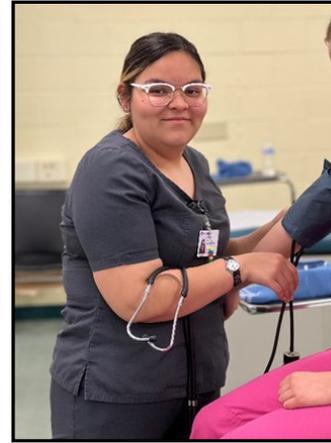

The following students are also Wellspan interns. They are as follows: Emily Manwiller, AC, Kyersten Bucy, LH, and Laylani Rios, CL.

Medical Assistant Clinical Rotations and Internships – Mrs. Wike

The following students completed their clinicals at our local schools. They are as follows: Hannah Riches, EL (ELCO Middle School), Sammy McCarrick, CL (Southwest Elementary), Keyarra Shand, CL (Southeast Elementary), Megan Guare, EL (Henry Houck Elementary), and Kayleigh Tiru, PA (Harding Elementary).

We would like to thank all the facilities, providers, staff and anyone who assisted with the continuing education of our students.

Our students cannot succeed without you!

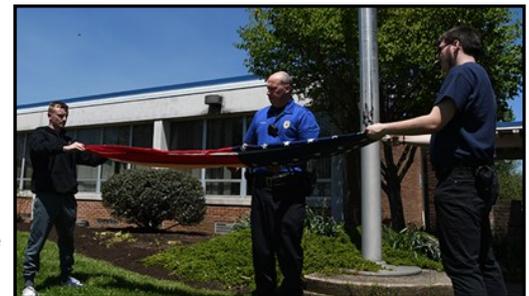

Law Enforcement Students Participate in Flag Ceremony

Recently, students Nick Treese, EL and Rogan Harter, AC assisted Officer Mulligan with the folding of the American Flag that is in front of the CTC school. The flag is folded thirteen times with reasons for each fold ultimately resulting in a triangle.

Rogan has enlisted in the Air Force and Nick will be attending Harrisburg Area Community College majoring in Criminal Justice and plans to become a police officer. On March 31, 2022, Lt. William Lebo lost his life while serving the residents of the city of Lebanon. The Law Enforcement class, as a way of commemorating Lt. Lebo's life and service to his community, will continue to have the students fold the American flag in tribute to him and the brave men and women of our military.

Culinary and Pastry Arts

The annual Art show was held on May 5, 2022. All Culinary and Pastry students created an eating establishment in English class. On May 4th they presented their ideas to a panel of judges: Allecia Imboden, Deb Elliott, and Christi Beazley. They were also evaluated by Meghan Weaber and Gina Barry on the portfolios they built throughout the year. Their restaurant binders were evaluated by Crystal Hower. These final items were averaged to give the students an end of the year "Capstone" project which was averaged into their final grade. Pictured are the students that were able to attain a first place/A grade on their final projects.

Please welcome new staff member . . .

Joshua Kleinfelter, Diesel Truck Technology Instructor

My name is Joshua Kleinfelter. I grew up on our Annville family farm where we raise beef cattle and pigs. I graduated from Annville-Cleona in 2007 and attended Diesel Truck Technology here at the CTC from 2006-2007 under Mr. Ressler. I took my education further and graduated with an Associates degree in Diesel Equipment Technology from Texas State Technical College just outside of Waco, Texas. I worked for excavation and truck companies there. I've been in the Diesel field since I was 16 years old and went through the co-op program here at tech. I started by watching my grandfather, dad and uncle working on equipment.

I now reside in North Cornwall and have been married for seven years to my wife Amber. We have two daughters Emma, 2 and Charlotte, 9 months. In my free time, I enjoy working on the farm making hay and selling and showing pigs and hunting. I am also a member of a truck pulling group and set up truck and tractor pulls. I also like to pull tractors I build.

Welcome
TO OUR NEW STAFF!
