# SkillsUSA National Leadership Conference

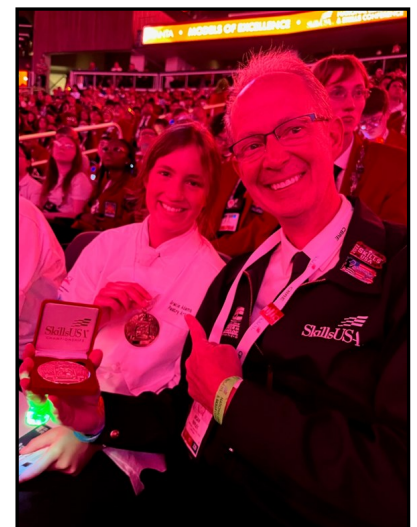

## Gracie Adams Wins a Gold Medal

On June 20-25, 2022, SkillsUSA hosted its National Conference in Atlanta, Georgia. Three LCCTC students represented the Lebanon County CTC after winning first place at the District and State competitions. These students were Gracie Adams, EL, enrolled in the Pastry Arts program and competing in Commercial Baking. Alexis Shytle, EL, enrolled in the Culinary Arts program competing in Culinary Arts, and Devin Barker, NL, enrolled in the Network Technology program competing in Internetworking. The results are: Alexis placed 33 out of 34 competitors, Devin placed 8 out of 23 competitors, and Gracie Adams took first place and the title 2022 SkillsUSA National Commercial Baking Gold Medalist. Gracie also received a full tuition scholarship to the Culinary Institute of America (CIA).

The students performed and represented the Lebanon County CTC with professionalism, a strong work ethic, and tremendous school spirit and pride. Advisors Chef Brian Peffley and Ryan Gerz accompanied the students. They were honored to witness all the hard work of these students and their instructors Daniel Giffin and Chef Robert Corle.

# Real World Experiences

The 2021-22 school year was very active with many students participating in the school-to-work program. A total of 84 students participated in either clinical, cooperative education, internship, or job shadowing opportunities. These experiences included the Medical Assistant students participating in clinical experiences in several health facilities throughout Lebanon County. The Health Careers Technology students performed their clinical experiences at Cedar Haven Health Care. Our Dental Assistant students participated in clinicals at several dentist offices in the local area. A few Cosmetology students completed some of their hours at local salons. Additionally, there were 51 different cooperative education experiences during this school year. Several of these students will continue employment with their cooperative education employers.

## MEDICAL ASSISTANT CLINICAL ROTATIONS AND INTERNSHIPS – GEHMAN

The following students were all interns through the Wellspan Health Family and Speciality Offices. They are as follows: Rylie Anspach (NLHS), Gabriela Cardero (LHS), and Brianna Medina (CCHS).

The following students completed clinical hours at various other locations. They are as follows: Mercedes Johnson (PASD) at Lebanon HS, Payton Kelly (PASD) at Northwest Elementary, Maddison Leshner (CCHS) at Lebanon Middle School, and Naomi Diaz (CCHS) at Volunteers In Medicine.

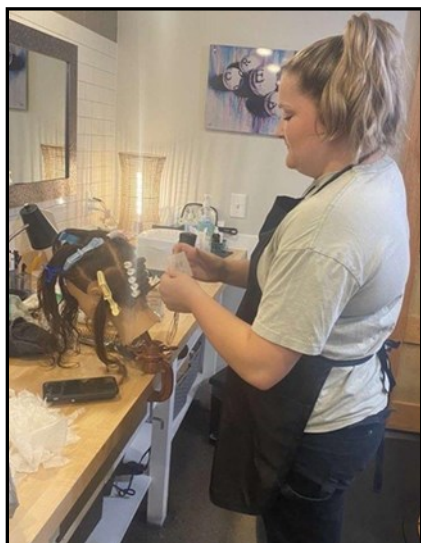

We would like to thank all the facilities, providers, staff, and anyone who assisted with the continuing education of our students. We cannot do this without you!

## Cosmetology Internships

Several Cosmetology senior students took advantage of a salon internship during the school year. The internship was available for students to participate after school hours or during the weekend. Students were able to practice skills learned on manikins or clients under the supervision of a licensed cosmetologist. This was part of the pilot program offered through the Pennsylvania State Board of Cosmetology. The internship program is available through June 30, 2022.

During the internship, the supervisor documented the skills and time spent on the cosmetology procedures. The hours were credited toward the student's cosmetology total hours. Students in the Cosmetology program need to complete 1250 hours of training to be eligible to take the Pennsylvania Cosmetology State Board Exam. The salons that participated this year were Salon Synergy, Studio 15, and Envy Hair, Nail and Tanning Studio.

# Decision Day

It's one of our favorite times of the year! Celebrating our seniors during our Official Decision Day. On May 11, 2022, seniors that have committed to a four-year university, two-year college, military or entering the workforce/ professional training participated in LCCTC's annual Post-Secondary Decision Day. Seniors were asked to wear an item of clothing that represents where they will be attending/enrolled/working, etc. after graduation. The students placed a star on the map of where they will be located with their name/college/military branch/employer.

In an effort to support our students, staff participated in Decision Day by showing off their alumni school spirit or attire from their previous employer!

# First Annual Summer Camp

This summer we hosted our first annual CTC Summer Camp on June 13, 14, and 15, 2022 for 7th and 8th grade students in Lebanon County. Our 36 campers were able to apply to one of the five participating programs: Pastry Arts, Electrical, Precision Machining, Commercial Art and Design, and Cosmetology. The campers participated in a variety of hands-on activities during the three-day camp and were able to take home their projects such as cookies, breads, gingerbread houses, lamps with USB/C ports, puzzle pieces, designed t-shirts, chalk drawings, manikin heads, and fresh manicures. The CTC received positive feedback from the campers as well as parents/guardians. We look forward to doing this again next summer!

GREAT JOB!
