NOTE: The Lebanon County Career & Technology Center Practical Nursing Program receives support through the Carl D. Perkins Career and Technical Educational Improvement Act of 2006 (Perkins IV). This Act is designed to help all students develop their academic, career, and technical skills to prepare for high skill, high wage, and high demand occupations in current or emerging professions. The Act places an increased focus on the academic achievement for career and technical education students, improves the state and local accountability, and strengthens connections between secondary and post-secondary education through the development and implementation of Career and Technical Programs of Study.

Mission Statement

The Lebanon County Career and Technology Center will provide high school and adult students with skills, knowledge, and understanding that is necessary to attain employment, advance in careers, and pursue postsecondary education and enrich their lives.

GI Bill is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by BA is available at the official U.S. government web site <http://benefits.va.gov/gibill>.

The LCCTC does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts of America and other designated youth groups. The following person has been designated to handle inquiries regarding the non-discrimination policies:

Assistant Director of Students

833 Metro Drive, Lebanon, PA 17042

717-274-8551 ext. 2139

Higher Skills, Higher Demand, Higher Wage

The Practical Nurse Program combines classroom study with supervised clinical practice in a variety of nursing fundamentals from providing basic bedside care to measuring and recording vital signs and dressing wounds. This career program prepares students for advance opportunities in an LPN to RN bridge program.

What is Practical Nursing?

On a typical day, a Practical Nurse is asked to:

- Provide bedside care
- Measure and record vital signs such as temperature, blood pressure, and respiration
- Dress wounds
- Prepare and administer medication
- Help bathe, dress and feed patients

Practical Nursing is a job that matters and comes with many opportunities for well-paid work in a variety of fields

- Community and Public Health Nursing
- Dialysis Units
- Extended and Long-Term Care Facilities
- Home Health Care Nursing – Adult and Pediatric
- Hospitals – Maternity, Med/Surg, Operating room
- Physician's Offices
- Private Duty Nursing
- School Nurse's Offices

Introducing the LCCTC

The Lebanon County Career & Technology Center (LCCTC) is an affordable pathway to the skills you need for a high-wage, high-demand career. Our technical training facility houses classrooms, laboratories and simulation rooms for hands-on, real-world training and education. Our mission is simple: to provide students with the skills, knowledge and understanding it takes to obtain employment, advance careers and enrich lives.

The LCCTC: Pathway to Practical Nursing

The first step toward this rewarding career is completion of the LCCTC State approved and accredited year-long program. Our program is well-respected among employers. Our graduates are educationally prepared to take the NCLEX-PN Examination to become a Licensed Practical Nurse.

The LCCTC combines classroom with:

- Fundamental skills in a Laboratory setting
- Simulation Laboratories
- Supervised clinical—real-world experience

The Courses:

Level I: Anatomy and Physiology
Nursing Fundamentals
Personal & Vocational Relationships

Level II: Medical-Surgical Nursing I
Pharmacology I
Maternity
Mental Health

Level III: Medical-Surgical Nursing II
Pharmacology II
Pediatrics

Class Options:

Full time: Monday through Friday
8:00am - 3:30pm (*July start*)

Part time: Tuesday through Thursday
2:00pm - 9:30pm (*September start*)

Requirements for Admission

The Practical Nursing Program is open to Pennsylvania residents with a high school diploma or an equivalent Pennsylvania GED. Credit for previous experience and education related to nursing may be obtained through challenge exams. All applicants must achieve satisfactory scores on the pre-admission testing.

Other requirements include:

- Complete an online application
- Pre-admission test – Test of Essential Academic Skills (TEAS) test
- Educational transcripts from high school and post-secondary schooling
- Pre-admission physical exam, including a urine drug screen and required vaccinations
- CPR certification
- PA State Police Request for Criminal Record Check
- PA Child Abuse History Clearance
- FBI Fingerprint

NOTE: This Program is subject to a Drug Prevention Program and a Campus Security Act.

Important Information on the Practical Nursing Program Admission Process

1. Submit an application - www.lcctc.edu > Programs/ Curriculums > Practical Nursing > Application > Access Application
2. Take the pre-admission TEAS (Test of Essential Academic Skills) test. This test consists of 170 four-option, multiple choice questions on Reading, Science, Mathematics, English, and language usage. This test will be scheduled once the application is received. A score of 50 is required.
3. Submit all transcripts and other required information upon notification of passing pre-admission testing.
4. Attend the Mandatory Pre-Admission Session.
