May is Mental Health Awareness Month

On May 17, 2023, it was last ditch lunch with our school counselors and we were also celebrating that May is Mental Health Awareness month. Students were able to schedule last-minute meetings, ask any questions they had, or just stop by to say hi! With a variety of snacks, mental health awareness stickers and pens, and fidget and stress toys, there was plenty for students to choose from. We talked to students about the importance of spreading awareness of mental health and reminding them that they are not alone, and we are here if they need us.

Tuesday, May 23rd, was Teen Mental Health Day as proclaimed by Gov. Tom Wolf in 2021. We had a scheduled walk outside during the morning and afternoon sessions to help promote wellness and self-care for students that wanted to participate.

Culinary Arts Student Received Generous Gift

Mr. Charles Gress and his wife Josephine have once again come to the aid of a student in need! Angelea Moore, a Cedar Crest High School Senior who is enrolled in the Culinary Arts program, has secured employment at Glacier National Park in Montana. Angelea will be leaving the second week of June to work with the Pursuit Company, which operates several resorts inside the National Park. Angelea needed some type of duffle bag to pack some of her items and the Gress's met that need with a Carhartt bag that is sure to deliver many uses in the years to come.

Mr. and Mrs. Gress's son Mark went through the program as an adult student in 1995 and continued his education at the Culinary Institute of America. Mark went on to have a fine culinary career. Tragically Mark passed in 2001 but his legacy lives on here at the CTC. We are so grateful to have such caring and involved patrons like the Gress's. Mr. and Mrs. Gress visit the Hilltop Café frequently throughout the school year and support all of our theme weeks with their presences. The Gress's also sponsored several cash awards for the Most Improved students in Culinary and Pastry and the Outstanding student in Culinary. Thanks Again, Charles and Josephine for helping students with their career goals.

Thank you!

Culinary and Pastry Arts Students were Recognized

On May 11, 2023, the Culinary and Pastry Arts students were recognized by "Visit Lebanon Valley" for their customer service and were nominated by a customer for the Hospitality Star from the Hilltop Café and the Pastry Shoppe. The award is on display in the Hilltop Café. We recognize the valued asset of great customer service.

Culinary and Pastry Arts Students Helped at an Event

The Lebanon CTC Culinary and Pastry Arts students helped cap off the career of one of Lebanon's most iconic voices, Mr. Steve Todd Davies from The Morning Splash on Froggy Valley 100.1. The "frogman" was a familiar voice in the Lebanon Valley for the last 38 years! Chef Peffley and OAC member Chef Charlie Gipe have been doing a culinary/chefs spot on Froggy for over a year now and as Steve's retirement on May 19, 2023, approached, he asked if we would help send him off with a breakfast drop in for his next to last airtime. Chef Corle went on the air with Steve and Chef Gipe during the Splash and they devised the plan. The CTC students and Chef Gipe and Chef Corle would provide omelet stations and Chef Peffley would make sticky buns and cinnamon rolls. Needless to say, the brisk morning was a hit, and all the fans of Steve enjoyed the food and fellowship. Senator Chris Gebhard, County Commissioner Jo Ellen Litz, and some of Lebanon's Finest in blue came by to give good wishes to Steve and sample the student's talents. What a great day and experience for our students. Thanks Steve Todd Davies for all of your support to the CTC and may you enjoy your retirement to the fullest; you have earned it.
