SkillsUSA National Leadership Conference

During the week of June 19-23, 2023, Stephanie Merkel, adult student in the Pastry Arts program under the teaching of Chef Brian Peffley CEPC, CCE, AAC, attended this year's 2023 SkillsUSA National Conference in Atlanta, Georgia. On Wednesday, June 21, Stephanie competed against 20 other post-secondary competitors from across the country. Steph had to produce nine different products in six hours from scratch and display them for judging before the time expired. Items were a decorative cake, Pate a Choux, puff pastries, Savory Galette, orange cranberry cookies, braided bread, and a variety of rolls. Stephanie placed a very respectable fifth place in the country for baking and pastry arts. This is the 25th State Champion in Lebanon County CTC's Pastry Arts program under the coaching of Chef Peffley. Stephanie is now employed by Hershey Entertainment and Resorts and works as a Pastry Cook at the Sweeterie at Hersheypark's ChocolateTown.

Good Job!

Cosmetology

Recently, cosmetology students were busy registering to take the Pennsylvania Cosmetology State Board Exam. Four students received their cosmetology license and two have their exam scheduled. As part of their training, students were busy performing services on clients this school year. The cosmetology clinic had a soft opening in December and was in full swing in January. Since then, the senior class completed approximately 120 clinic services. Students also offered hair extensions during Valentine's Day and Saint Patrick's Day. Congratulations to this year's senior class. This is the most licensure that has occurred prior to graduation and the most licensure per student within a class.

The Health Careers Technology students performed their clinical experience with WellSpan Health. Our Dental Assistant students participated in clinicals at several dentist offices in the local area. Several Precision Machining students completed a work-based learning experience with the NASA HUNCH program. Additionally, there were 32 different cooperative education experiences during this school year. Several of these students will continue employment with their cooperative education employers.

Decision Day

It's one of our favorite times of the year! Celebrating our seniors during our Official Decision Day. On May 3, 2023, seniors that have committed to a four-year university, two-year college, military or entering the workforce/professional training participated in LCCTC's annual Post-Secondary Decision Day. Seniors were asked to wear an item of clothing that represents where they will be attending/enrolled/working, etc. after graduation. The students placed a star on the map of where they will be located with their name/college/military branch/employer.

In an effort to support our students, staff participated in Decision Day by showing off their alumni school spirit or attire from their previous employer!

Annual Summer Camp

This summer we hosted our second annual CTC Summer Camp on June 12, 13, and 14, 2023, for 7th and 8th grade students in Lebanon County. Our 47 Campers were able to apply to one of the eight participating programs: Computer Networking, Electrical, Plumbing, Precision Machining, Commercial Art and Design, Dental, Health Sciences, and Cosmetology. The campers participated in a variety of hands-on activities during the three-day camp and were able to take home some of their projects such as a coat rack, lamps with USB/C ports, key chains, and designed t-shirts. The CTC received positive feedback from the campers as well as parents/guardians. We look forward to doing this every summer!
