Pennsylvania Restaurant & Lodging Association Visited

On Friday, December 15, 2023, Pennsylvania Restaurant & Lodging Association (PRLA) staff visited the Culinary and Pastry Arts programs at the Lebanon County Career and Technology Center. The school now serves as a Restaurant Youth Registered Apprenticeship (RYRA) pre-apprenticeship site, which complements the school's existing curriculum and allows students to be matched with RYRA employers upon completion of the program requirements.

Lebanon CTC also received a grant from the National Restaurant Association Educational Foundation for supplementary classroom supplies including Mercer Culinary knife kits, induction burners and cookware, and Chromebooks.

Cosmetology Program Field Trip

Luxurious Career Opportunities Nearby

On December 13, 2023, senior Cosmetology students and adult nail technicians attended an Open House Hiring Event held at the Melt Spa by Hershey and The Spa at the Hotel Hershey. Students were able to meet the spa teams at both locations and tour each spa to gain a greater understanding of opportunities that are available after they receive their licenses. Following the career exploration, students enjoyed lunch at Chocolate World. After lunch, students enjoyed a tour of the Hershey Museum and the Hershey Park.

Holiday Door Decorating Contest

This year the student chapter of the Lebanon Home Builder's Association sponsored a Holiday Door Decorating Contest. The theme was "Ugly Sweater." Students had to follow the theme and incorporate some aspect of their program. The winners earned Shop of the Year Award points.

CTC Staff's First Friday

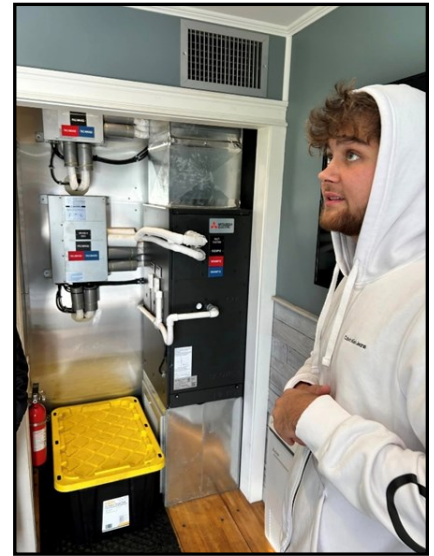

On December 1, 2023, some of our staff enjoyed each other's company and decorated snowflake cookies after school. Afterwards, some of our staff and their families were able to enjoy the evening decorating gingerbread houses. It was a fun day for all!

Plumbing Demonstration

We would like to thank Jordan and Isaac from Precision LLC for arranging the opportunity for Doug Zerbe to bring the Mitsubishi heating and air conditioning truck for a demonstration to our students in Plumbing/HVAC. Thank you Mr. Zerbe for taking the time to explain the Mitsubishi equipment to our future tradesman. Also, thank you Bob Long for fielding questions from the students on working maintenance in a commercial environment. The day was a huge success!

Thank you!
