February was Children's Dental Health Month

The Dental Assistant class, Dr. Ally and Brooke Brandt from Little Bees Pediatrics visited three local elementary and daycare centers to educate the children on various topics such as how to brush and floss and how to put on Personal Protection Equipment (PPE). They also involved the students in various activities such as a good food–bad food game, tooth stories, coloring activities, and making tooth puppets and smiles on a stick.

No Excuses Youth Traffic Safety Billboard Design Contest Winner

Congratulations to Eliani Cruz and her winning billboard. Eliani is a senior from Lebanon High School who won the 2024 No Excuses Youth Traffic Safety Billboard Design Contest. This contest allows students to design a traffic safety related message that will be transformed into an actual billboard that will be on display during May 2024, which is "National Youth Traffic Safety Awareness Month".

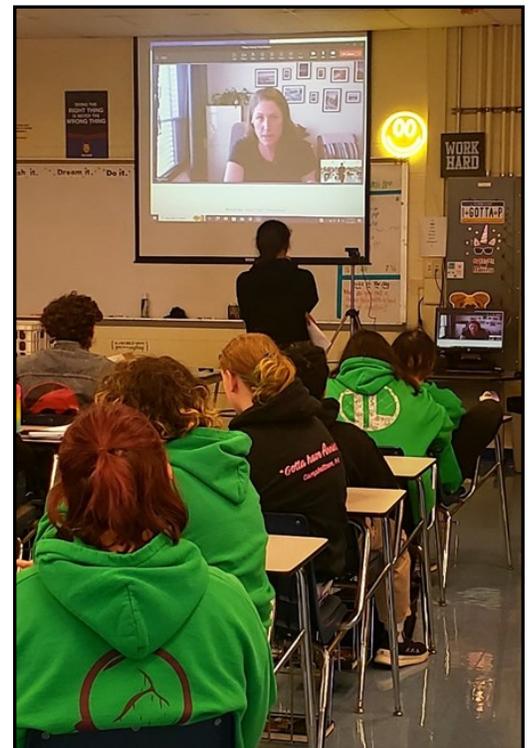

WELL DONE!

Commercial Art and Media Communications Programs' Guest Speaker

Commercial Art and Media Communications students had the unique opportunity to engage with Tiffany Feeney, a distinguished alumna of the 1999 CTC Commercial Art program, currently residing in Switzerland. During the session, Tiffany graciously recounted her journey from graduating from Palmyra High School and Pratt Institute to establishing her own highly successful company, **talentoutpost**; specializing in talent recruitment for animation, visual effects, and games. Notably, she has facilitated talent acquisition for renowned companies like DreamWorks and Zynga, contributing to iconic films such as *Kung Fu Panda* and *Shrek*. Tiffany generously shared her personal anecdotes, industry insights, and career opportunities, providing invaluable guidance to the students who aspire to pursue similar career paths. This encounter proved to be an exceptional learning experience, offering students firsthand insights into a profession that interests many of them.

Thank you!

Technical School Education Day at the State Capitol

Technical School Education Day, sponsored by Senator David Argall, took place on Tuesday, April 9, 2024, in the East Wing of the Pennsylvania Capitol Building, Harrisburg, PA. CTC students were invited to participate in a unique opportunity to showcase their technical school education to an audience of Pennsylvania legislators. A big thank you to Senator Chris Gebhard and PA State Rep. John Schlegel for taking time out of their busy schedules to meet with our students. What a great day our students had visiting our State Capitol. They truly enjoyed their day and showcasing CTE!

Excellence in Education

Please join us in congratulating the following students that will receive the honor as top 5% of the graduating class at CTC. They will be recognized at the Excellence in Education Ceremony sponsored by the Lebanon Valley Chamber of Commerce on May 8, 2024. This event will be held at Cedar Crest High School stadium. This is an incredible accomplishment for these students with all the hard work they have put into this school year. We are so proud of all of them!

Practical Nursing Program's Field Trip

On March 27, 2024, the last class of Practical Nursing students participated in their annual field trip to the Mutter Museum in Philadelphia. The museum provides a great educational opportunity for the students. Every year the students have provided positive feedback on the experience. If you have any interest in the medical field, this museum is a must-see.

Yahidanny Vargas Martinez, LH, Dental Assistant

Yahidanny Vargas Martinez is the daughter of Elsa Yadira Martinez Almodovar, Lebanon, PA. Yahidanny is a senior at Lebanon High School and is enrolled in the Dental Assistant program at the Lebanon County Career and Technology Center.

Yahidanny is a member of SkillsUSA at the CTC. She has been recognized as being in the top 5% of the graduating class at CTC. She is completing an internship at a dental clinic in the spring. She is involved in her high schools gardening club, bowling, and dance team.

After graduation, Yahidanny plans to continue her education in dentistry. Her career goal is to be an orthodontist.

Ethan Spang, EL, Electromechanical Tech.

Ethan Spang is the son of Mike and Courtney Spang, Myerstown, PA. Ethan is a senior at ELCO High School and is enrolled in the Electromechanical Technology program at Lebanon County Career and Technology Center.

Ethan is a member of SkillsUSA at CTC. At his high school he participates

on the golf, soccer, basketball, and baseball teams. He is involved in the spikeball, lifting, gardening, and woodworking clubs. Outside of school, he volunteers his time at his church and with little league. Ethan also works part-time at the Franklin House Tavern.

After graduation, Ethan plans to enter the workforce. His career goal is to work full time as a technician in the electromechanical field or as an electrician.
